Cumulative GPA = w/o weight GPA + (# of weighted classes x .017)

Weighted Credit Courses

Due to the added rigor of the weighted class, the student will receive an added credit “weight” upon passing the course. This added weight will be calculated: Cumulative GPA = w/o weight GPA + (# of weighted classes x .017)

- Honors Language I
- Honors Language II
- Honors Language III
- Honors Geometry
- Honors Algebra II
- Trig / Pre-Calc
- Probability & Statistics
- Calculus
- Psychology
- Sociology
- Chemistry II
- Physics
- Anatomy/Physiology
- Accounting II

Dual/Weighted Credit Courses

Pleasant Hill High School offers several dual credit courses through area colleges. An overall GPA of 3.0 prior to entering the course is required for all core classes. It is the student’s responsibility to check the college in which they wish to attend to verify whether they will accept the dual credit.

Along with being weighted, the following classes can be taken for both high school and college credit:

**UMKC Partner Classes**
- Composition (PH)
- Adv. Literature (PH)

**UCM Partner Classes**
- Political Science (PH)
- Recent Amer. Hist. (PH)
- Welding & Structures (PH)

**Central Methodist Partner Classes**
- College Algebra (one half semester only)

Articulated Credit Only Courses (not weighted)

Articulated credit is awarded when a student earns college credit after completing a state-approved occupational program or course that addresses the same competencies as its “articulated” college program or course. College credit is transcribed after the student has completed 15 credit hours at the Metropolitan Community Colleges. The student has up to two years to benefit from credit held in “escrow”.

**MCC Partner Classes**
- Child Development (PH)
- Automotive Tech. (CCC)
- EMT Program (CCC)
- Fire Science (CCC)
- IT Essentials (STA)

**Linn State Partner Classes**
- Welding (PH)
- Automotive Tech. (CCC)

**Vatterott Medical**
- Health Occupations (CCC)

**UMKC Partner Classes**
- Engineering Design (STA)

**UCM Partner Classes**
- Network Essentials (STA)
