

**Saturday Morning Injury Clinic
At Centerpoint Medical Center in the Medical Office Building
OP Rehabilitation Suite 425**

**8:00 – 9:00 A.M. EVERY SATURDAY
DURING FOOTBALL SEASON SEPTEMBER 5-OCTOBER 31, 2009**

Centerpoint Sports Medicine offers a free sports injury clinic for high school athletes every Saturday morning after the regularly scheduled Friday Varsity Football games. Saturday Morning Injury Clinic is for injuries **incurred in the previous seven days or follow up for injuries previously seen by the physicians**. The Saturday Morning Injury Clinic is open to ALL fall sports' athletes in the area, regardless of school affiliation.

The initial evaluation by a Sports Medicine Physician and emergent/acute injury treatment that morning are **FREE**.

You may receive a referral for additional testing, consult to specialist (orthopedic) or prescription for therapy. If referral is made, you will be given the choice of where to follow up and your insurance will be billed for the fees generated by the referral.

DUE TO FEDERAL LAWS AND REGULATIONS, PHYSICAL THERAPY TREATMENTS CANNOT BE RENDERED FOR FREE DURING SATURDAY MORNING INJURY CLINIC.

Also, for legal reasons, if the athlete is under the age of 18, we require that a parent or guardian accompany them. We will not perform any actions that would generate a charge without first talking to the parent or guardian. A form will be sent home to the parents and the coach/athletic trainer to inform them of the physician's diagnosis and plan of action recommended.

NO ONE WILL BE ADMITTED AFTER 9:00 AM! WE WILL EVALUTE EVERYONE THAT IS REGISTERED BY 9:00 AM!

- **If under 18, bring parent or guardian**
- Bring insurance information just in case an x ray or consult is needed, etc.,
 - Be here promptly at 8:00 AM, BUT NEVER after 9:00 AM!!!
 - ALL FALL ATHLETES ARE WELCOME, NOT JUST FOOTBALL!
